THIS MONTH'S COVER

Camp Zama will hold the 45th Bon Odori Festival on 7 August. This popular cultural event attracts some 35,000 of our host nation neighbors and offers an insight into one of the more colorful traditional events of the year. American and Japanese dance teams take turns dancing on the tall platform around which anyone who wishes to join in may do so. In addition, there will be numerous booths with a large variety of foods, souvenirs, rides, games and displays. As always, the event filled evening will end with a spectacular fireworks display. Check out back cover page for the schedule of events and plan to join us.

The Proper Way to Repair a Ball Mark

- 1 Use a prolonged ball mark repair tool (preferably a knife, key or tee)
- 2 Insert at the edges of the mark, not the middle of the depression.
- 3 Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.
- 4 Smooth the surface with a club or foot. You're done when it's a surface that you would put your foot on.

formation, knowledge, and skills needed to gain better access to the community support programs provided to assist families throughout a Soldier's career. Family preparedness and self-reliance is important to readiness because it provides peace of mind to deployed Soldiers. The premise of the AFTB program is "volunteer family member" assisting other "family members."

• **Video Teleconferencing**

Video teleconferencing is now available to many service members and their families. Deployments rank as the most challenging and chaotic times of military life. Deployments are a way of life for many, if not all, service members. Being far apart limits our ability to communicate. Army Community Service has a great way to connect over the miles. Video teleconferencing is now accessible to deployed personnel and their family members. For further information or to schedule an appointment, call ACS at 263-8327.

FINANCIAL AND EMPLOYMENT READINESS PROGRAM, 263-8091

The Family Subsistence Supplemental Allowance (FSSA) is an initiative to increase the Basic Allowance for Subsistence and remove military families from the food stamp program. The following are a few facts about FSSA:

1. Service members on active duty receiving full or partial BAS are eligible.
2. FSSA is voluntary.
3. The maximum entitlement is \$500 per month.
4. FSSA income must be included when applying for certain other programs based on income, such as school lunch programs & WIC.
5. FSSA requires annual recertification.

ACS will pre-screen potential applicants for FSSA and FSSA will be certified by the chain of command upon receipt of documents from ACS. Applications can be accessed on the web

at <http://www.dmdc.osd.mil/fssa/>

FAMILY ADVOCACY PROGRAM 263-4782

The Family Advocacy Program provides services that are designed to prevent spouse and child abuse by improving family functioning, easing the kinds of stress that can aggravate or trigger patterns of abusive behavior, and create a community that is supportive of families. The prevention of family violence is a community responsibility, which includes awareness, education, and intervention in high-risk situations.

The Reporting Point of Contact (RPOC) for suspected child or spouse abuse is the Military Police at 263-3002. If you have questions regarding child or spouse abuse, call Ms. Zamora-Cruz, FAP Manager, at 263-4782.

BON ODORI FESTIVAL

This photo turns to reality at Camp Zama's 45th Bon Odori Festival on Saturday, 7 August. Each member of our community can personally be a part of the festival experience by participating in bon dancing, carrying the "omikoshi shrine" to the encouraging shouts of "YOSHOI", listening to the energetic sounds of the Taiko drums, or just relaxing and enjoying one of Japan's major traditional events conducted in a western setting co-hosted with our gracious community neighbor, Zama City.
